GOVERNMENT OF GOA

Planning Department

Office of the Development Commissioner

ORDER

1/17/89-DC

The Government is pleased to order that the Goa Land Army Corporation will execute the works assigned to it as a designated agency of the Government. The rules governing the execution of works by the Goa Land Army Corporation are detailed in the Annexure to this Government Order.

2. This order issues with the concurrence of the Finance Department vide U.O. No. FS/4802/89 dated 27-11-1989.

By order

R. S. Sethi

Development Commissioner/
Finance Secretary

Panaji, 27th November, 1989.

ANNEXURE TO GOVERNMENT ORDER NO. 1/17/89-DC DATED 27-11-1989

A. The works to be taken up by the GLAC relate to the Public Works Department, Irrigation Department, Electricity Department, Forest Department, Fisheries Department, Co-operation, Western Ghats Development Programme, Rural Development and certain other departments. Sufficiently, before the commencement of the year, the GLAC will, in consultation with the Heads of Departments concerned, prepare a list of works to be taken up during the year and submit it to the Planning Department in the Secretariat. The Planning Department will consult the other Departments and accord approval to the list of works. The list will contain all the particulars necessary for inclusion of sufficient provision in the budget. Such particulars will include the name of the work in full, location of the work, the administrative jurisdiction thereof, estimated cost, progressive expenditure incurred (in the case of works in progress) and the provision required for the year. The Planning Department will ensure inclusion of necessary budget provision under the necessary Head concerned in consultation with the Finance Department.

2. Considering the fact that works could be entrusted to the GLAC by the Government even during the course of the financial year, the list of works prepared at the beginning of the year will not be treated as final. It would be subject to change depending on the exigencies of the situation and availability of funds.

3. GLAC will ensure that the administrative approval of the competent authorities of Government is obtained before taking up any work for execution. Budget provision will not be sufficient authority for the Corporation to take up the work.

4. The execution of works by GLAC will be financed as under:

i) As GLAC is the designated agency of the Government, works will be entrusted to the Corporation by the Government from time to time. It follows that GLAC would take up these works as a deposit work. In other works, the indenting Department would be required to release money to the GLAC in a phased manner depending on the progress of execution of works. The money required by the Corporation will be released by the Department concerned who will have to pay 50% of the estimated cost as advance to GLAC while the remaining 50% will be recovered depending on the progress of works.

ii) Works will be taken up at the current P.W.D. schedule of rates plus 15% over the estimated cost towards developmental overheads in respect of normal schemes and 5% in respect of schemes under Indira Awas Yojana.

iii) GLAC shall maintain the following records:

- Work Diary (Part A) in the prescribed form.
- Work Diary (Part B) in the prescribed form.
- Construction accounts.
- Material at site account.
- Monthly works progress report.
- Measurement book.
- Any other records prescribed by the Government/GLAC.

iv) At the end of each quarter or as soon as measurements for the work are taken, whichever is earlier, GLAC shall submit the accounts of expenditure incurred and adjust the same against the advance taken. Further releases would depend on the progress of work and the actual expenditure incurred. The Departments shall release further amounts to GLAC after satisfying themselves of the progress of work and enforcement of financial discipline by GLAC.

v) The investigation, designs, preparation of plans and estimates and execution of works will be the responsibility of GLAC. It would also be responsible for maintaining necessary quality of work during execution.

vi) Occasions may arise during the course of the work for doing certain items which may not be susceptible for measurement or quantification after completion of the work. For such items, data rates as per actuals will be paid as per data collected by GLAC with due checks by Department.

vii) Completed works will be handed over by the Corporation to the Departments concerned along with the final bills, in duplicate, certified record plans, estimates and certificates from the M.D., GLAC stating that the works have been executed according to plans and specifications detailed in the estimates. The defects, if any, will be got rectified by the authorities of the Corporation. The Department taking over the work will send a report

to the administrative department concerned within one month of taking over the work. The final bill will be passed after following the above procedure, after due scrutiny by the Directorate of Accounts as per the existing arrangements in force. The amount of final bill will be adjusted towards the advance taken by the GLAC.

vii) The Departmental officers who take over the completed works from the GLAC in the manner cited above will send quarterly statement to the Government in the Planning Department through the Heads of department concerned. This quarterly statement will indicate particulars of works taken over, the Head of account debited, the Head of Credit, the amount involved and the month in which the transaction is incorporated in the accounts.

viii) The GLAC shall submit to the Planning Department on the 15th of each month a statement showing the up-to-date advances drawn, adjustments (department-wise) made by way of handing over completed works and the balance outstanding. For this purpose, the work should be deemed to have been handed over only after the joint measurement is over and the certificate of taking over is obtained from the Departmental authorities concerned. The Planning Department will maintain a consolidated account showing the advance given to the GLAC and the adjustment made against the advances from time to time. Reconciliation of expenditure with the Directorate of Accounts will be the responsibility of the indenting departments concerned.

ix) The GLAC shall maintain clear accounts of the works entrusted to it for execution in the forms, registers etc. prescribed in the CPWD Codes and Manuals, and the GLAC code. These records shall be made available to the Audit Authorities including the Directorate of Accounts as and when called for. Any clarification required by the Directorate of Accounts and department concerned, either during Central Audit or Local Audit, should be furnished by the Corporation.

B. Government has decided that for the time being, GLAC shall restrict its activities to the nature of work as detailed below:

1. Works under Indira Awas Yojana and the 20 Point Programme.
2. School buildings and Panchayat buildings under the Jawahar Rojgar Yojana.
3. Construction of village roads and digging of walls under Jawahar Rojgar Yojana.
4. Construction of godowns in the Cooperative sector.
5. Construction of bandharas and open wells for irrigation purpose.
6. Minor works relating to CADA.
7. Minor irrigation works of value upto Rs. 5 lakhs.
8. Scheme under the Western Ghat Development Programme.
9. Construction of bus stand, sheds etc. for the K. T. C.
10. Construction of Talathi offices, quarters etc. and other small constructions under the upgradation of Standards of Administration.
11. Plantation under the Social Forestry Programme.
12. Various P. W. D. works not exceeding the value of Rs. 3.00 lakhs.

2. The Chairman is authorised to create such staff as may be required for the functioning of GLAC from time to time.

3. All employees of GLAC from Joint Director downwards will wear uniforms as prescribed by the GLAC.

4. The classification of works under GLAC would be as under:

- i) Unskilled works
- ii) Semi-skilled works
- iii) Skilled works

5. The enrolment would be restricted within the ages 18 to 35 years with the minimum education qualification as Std. VIII.

6. The wage structure would be as under:

- i) Unskilled work — Rs. 18/- per day.
- ii) Semi-skilled works — Rs. 21/- per day.
- iii) Skilled works — Rs. 27/- per day.

7. GLAC shall be competent to revise wages from time to time depending upon the exigency of the situation.

8. Enrolment would be restricted to 500 youth each from North and South district. The number could be increased at a later point of time depending on the quantum of work available with GLAC. The selected youth under GLAC will be given training under various trades like Carpentry, Black Smithy, Bar bending, Welding etc. Payments to the workers will be made on fortnightly basis.

9. For the time being, machinery and other equipments shall be made available to GLAC by various departments at rates to be fixed by the Government.

10. The Headquarters of the Corporation shall be at Panaji, with offices in both North and South districts.
